ALLAN'S ENTRY

I DESERVE TO WIN COOL DAVIES CRAIG PRODUCTS BECAUSE...

I've always been interested in the Davies Craig range ever since they became available on the market. Years ago I owned an XY Falcon with a 351 under the bonnet, and I was about to enquire about your electronic water pumps at Autobarn in Altona North, when I got an unexpected offer for my car that I could not refuse. The rest is History. Today I get my second chance, as an Auto Electrician building a 1967 Ford Mustang Fastback, I'd love to test your products on my 427 FE Big Block, and pass on my recommendation to my customers.
